

Standoff Kit

CHIKOUSA
RACKING MADE SIMPLE

Chiko Solar Standoff Kit includes—a base, 2 lug bolts, a round EPDM washer, aluminum post and cap with EPDM washer, L-Foot and flange nut with bolt. Chiko Solar's standoff system comes in three different sizes: 3.5", 4.5" and 6". It is designed for use on flat roofs. The standoff is installed on top of the existing roof without modification and without compromising the integrity of the structure. Chiko Solar guarantees a quick, easy installation with long lasting quality. Please follow the installation manual and local building regulations for proper installation.

Component List

Qty

▶ Aluminum Flashing	01
▶ Aluminum Base	01
▶ 3" Aluminum Post	01
▶ Aluminum Cap with EPDM Washer	01
▶ 1 x Aluminum L-Foot 6005-T5	01
